Homecoming Dance

On Saturday, October 4, 1975, "Stars Forever" was the theme of the 1975 Homecoming Dance. The group, "Horizon," played for the dance. The Homecoming Queen Sandy Schellenburger, was crowned by Student Council President Jim Lofgren. The auditorium was beautifully decorated and gave all who attended a memorable night to recall in the future.

Powder Puff Football

One of the most closely matched Powder Puff Football Games was played on November 5, 1975, in the football stadium between the Pom Pon girls and Cheerleaders.

The competition was tough; and after playing a Kansas City tie-breaker, the game still ended with a 0-0 score.

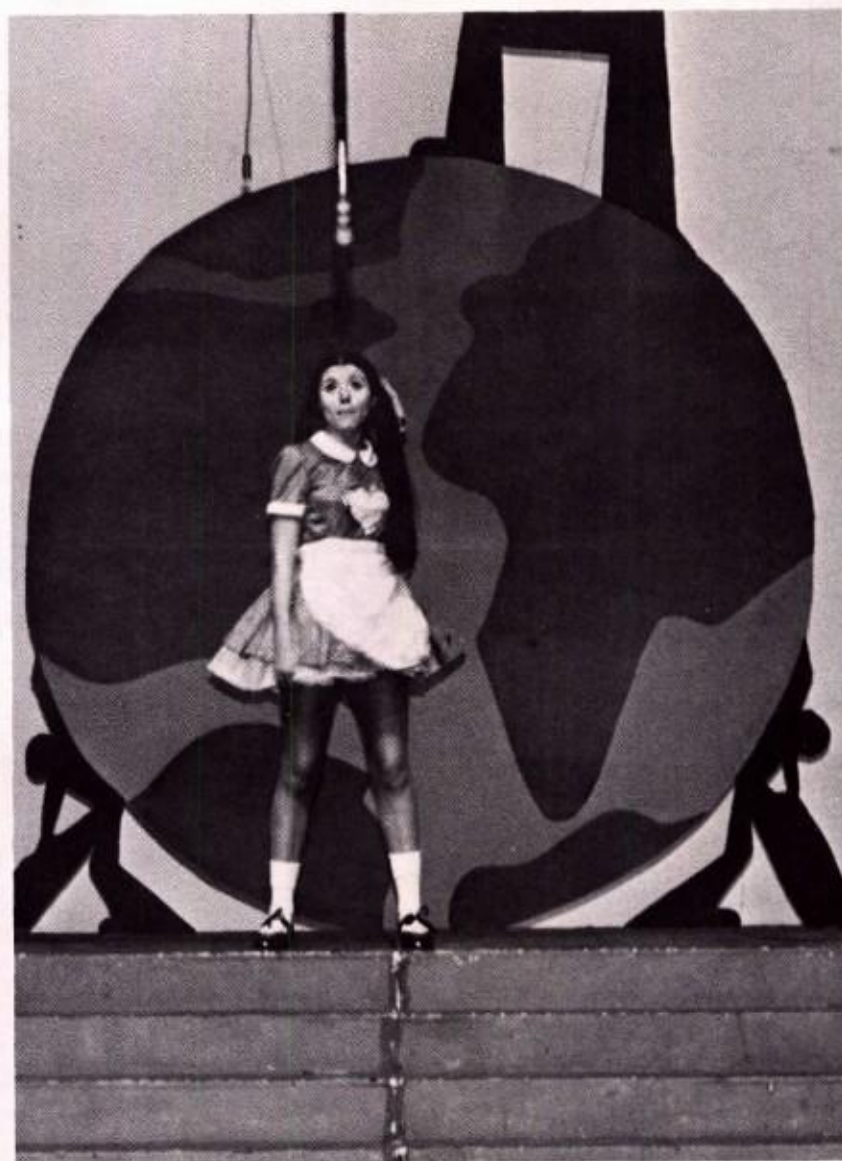

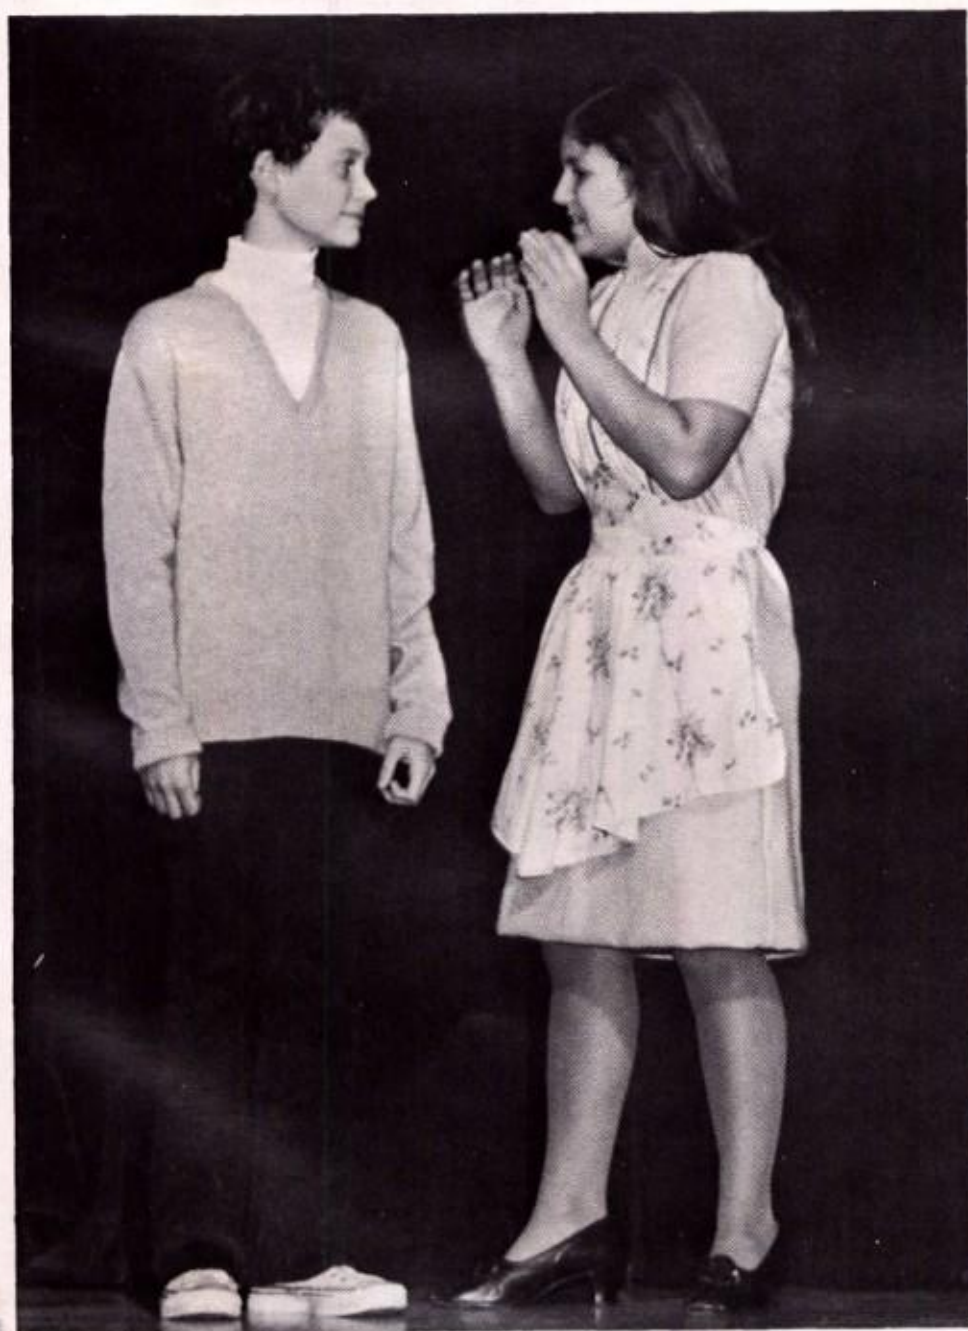

M-Club came as their version of the Pom Pon girls and Cheerleaders, and the game was a lot of fun for everyone involved.

V-Show

"Joy to the World" was held on November 13, 14, and 15, 1975, with a matinee on November 12, 1975. Its combination of talent and variety blended together beautifully to create a well-organized, highly-entertaining show. Over two-hundred students participated in this year's Variety Show.

Art Festival

The Maine West Art Department had its annual art festival on May 1-2, 1975. This art exhibit contained the most creative and outstanding endeavors that each art student had to offer. The work represented came from all levels of the Maine West art curriculum, including a representation from the junior highs. Highlights of this exhibit were the student demonstrations performed in areas of drawing, painting, ceramics, printmaking, and macrame. This exhibit was open to students during the day and to the public in the evening.

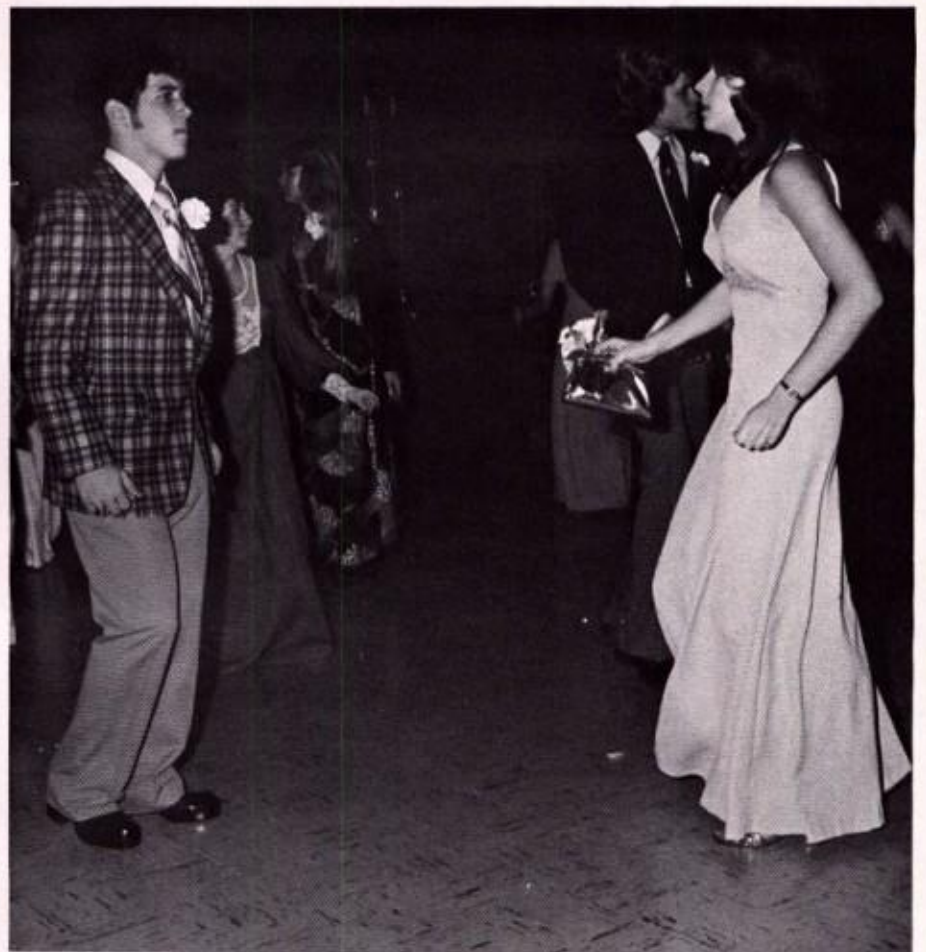

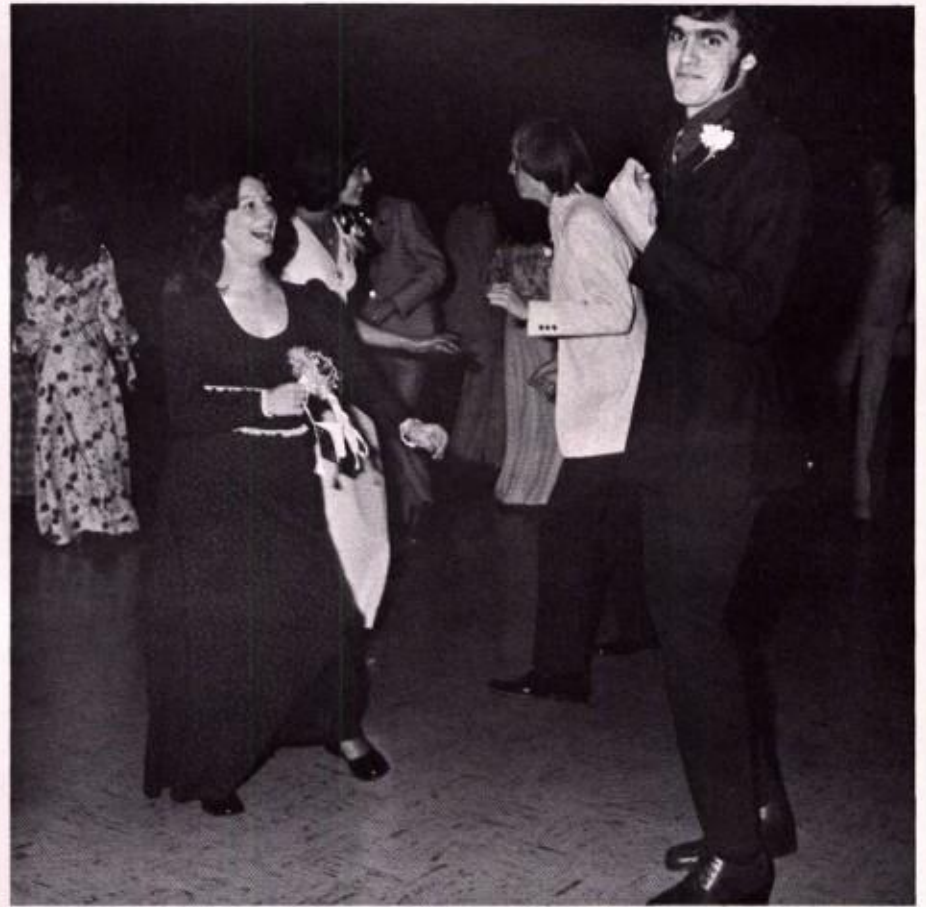

Christmas Formal

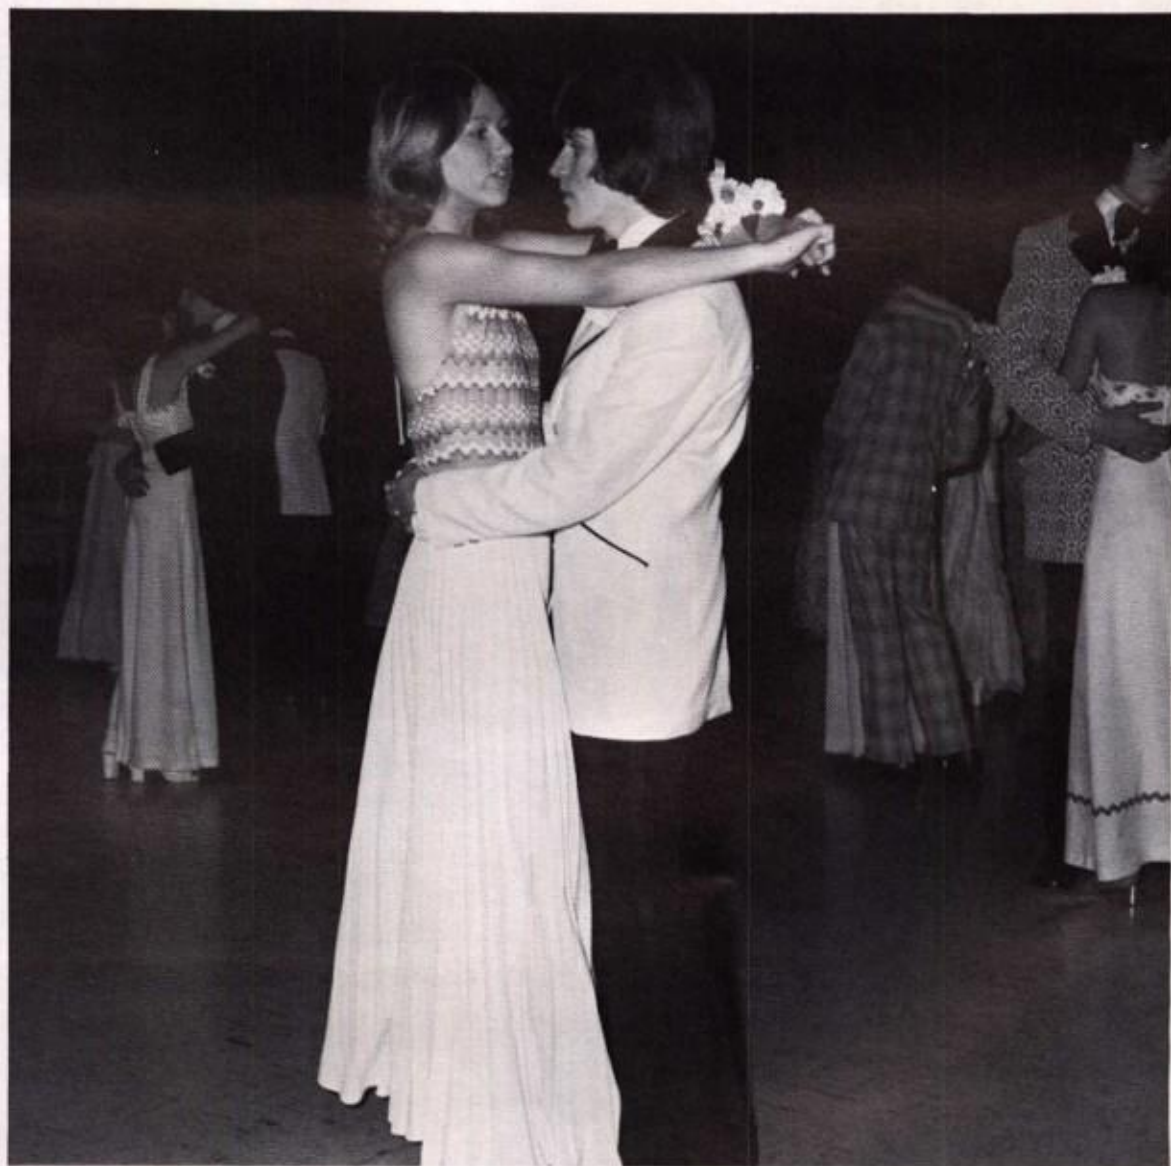

This year's Christmas Formal was entitled "Nights in White Satin" with royal blue, silver, and white decorations featured. It was held on December 20. The Strutter Band played at the dance. The evening was highlighted by the crowning of queen Caron Bolman. Santa Claus, his wife, and elves were also present.

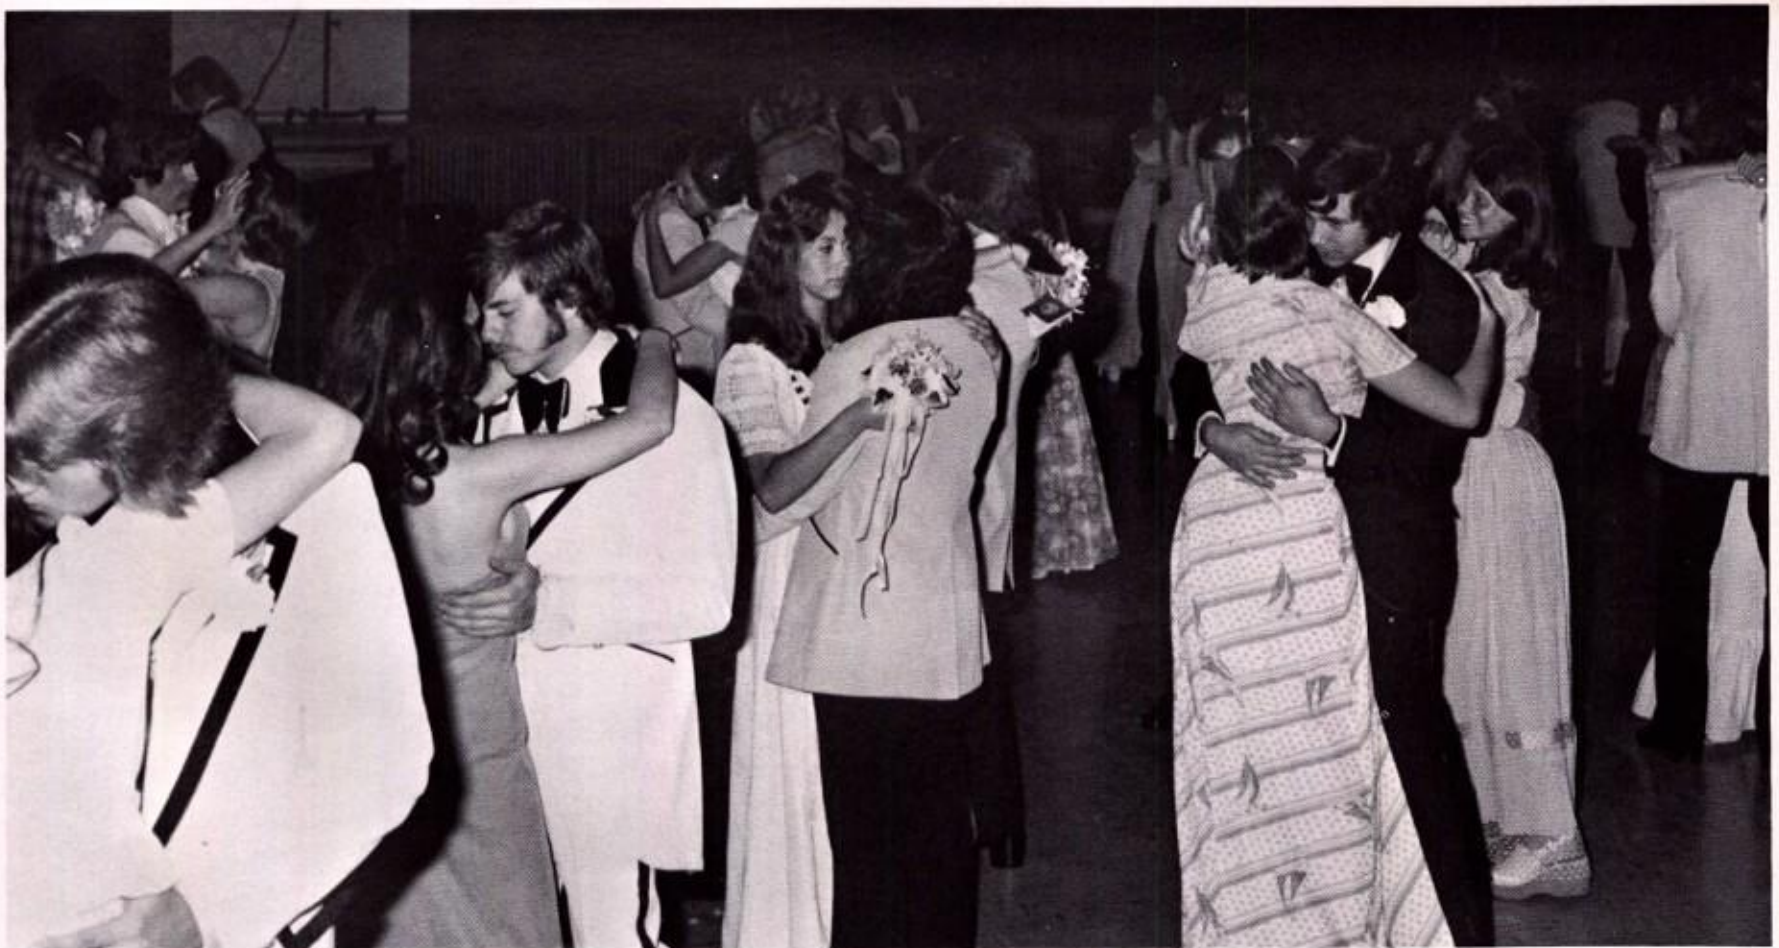

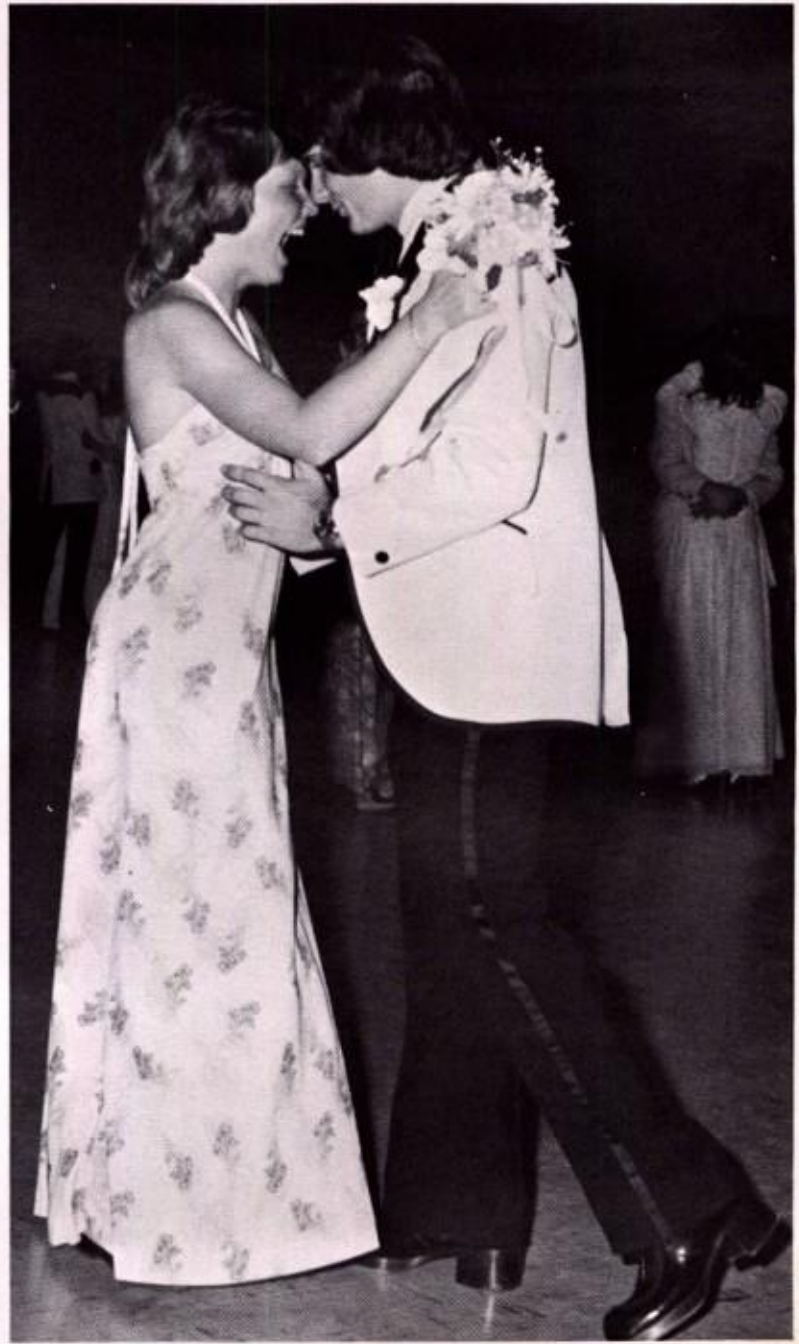

Junior Prom

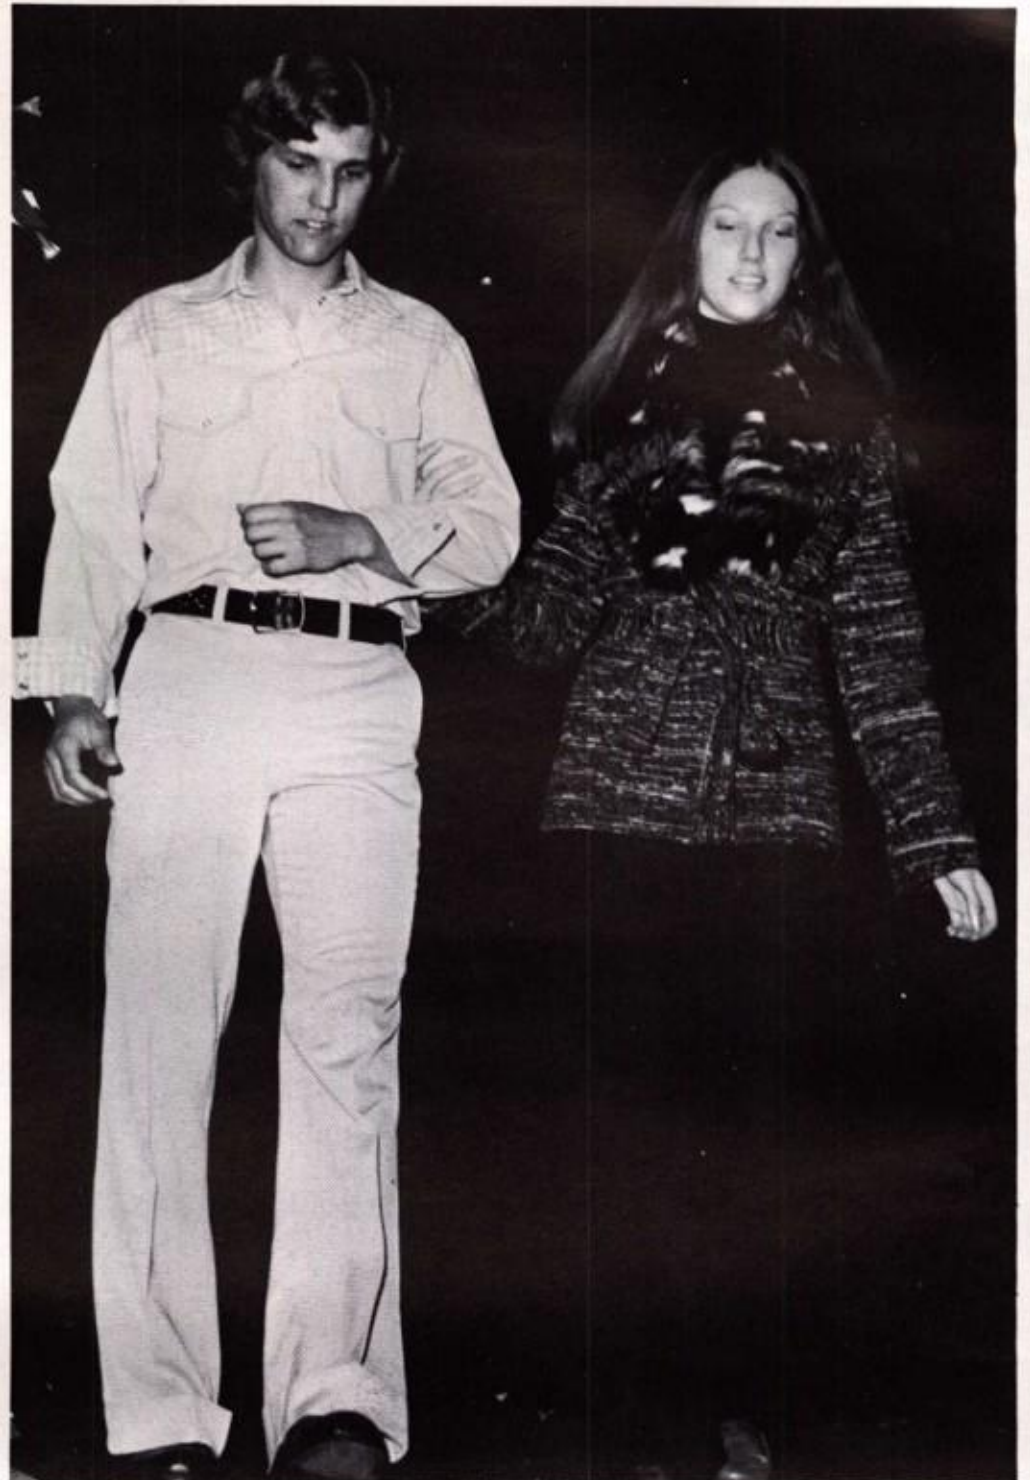

"Sunrise, Sunset" was the theme for the 1975 Junior Prom which was held on May 17. The decorations were orange and yellow. The dance was well attended and enjoyed by everyone.

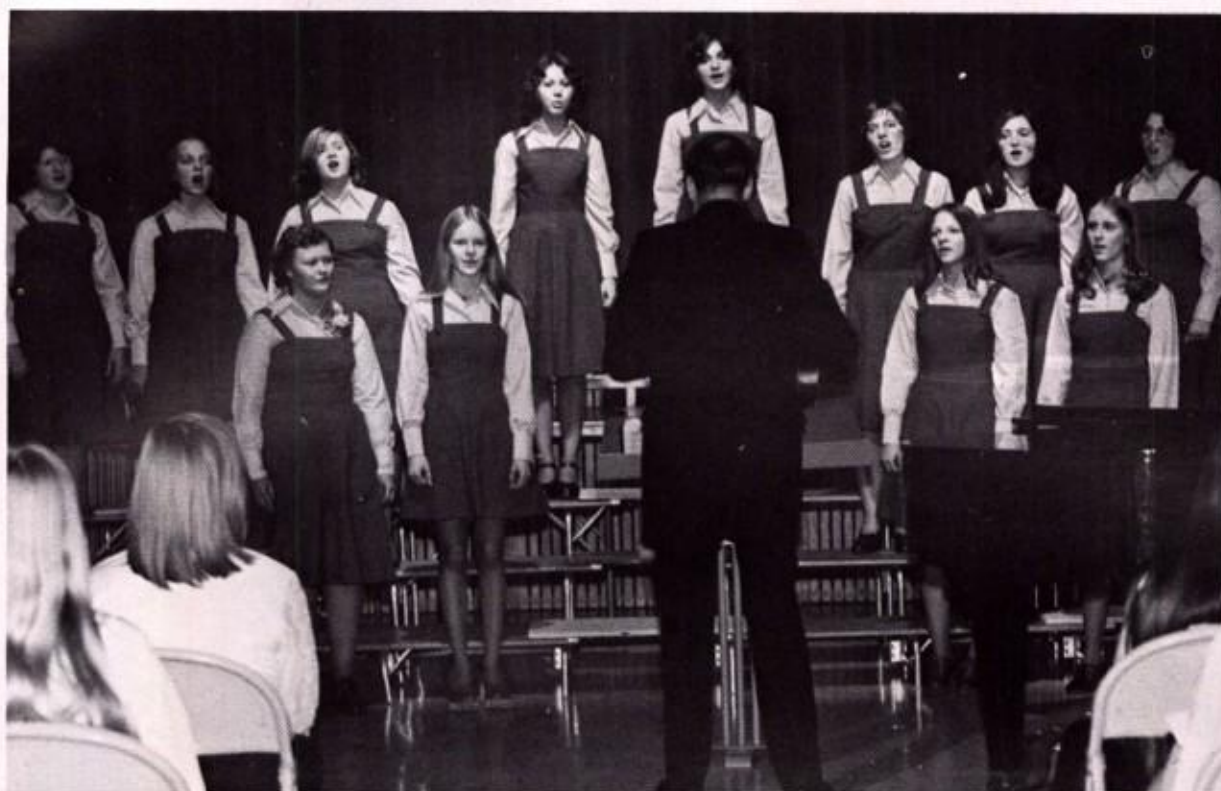

'The Shape of Things To Come'

"The Shape of Things To Come" was the theme of the annual Home Economics Department fashion show. Black silhouettes with miniature multi-colored lights graced the runway and stage as students from the four levels of clothing modeled fashions covering the gamut in complexity — from the very easy to the very vogue as well as the highly individualized original student designs.

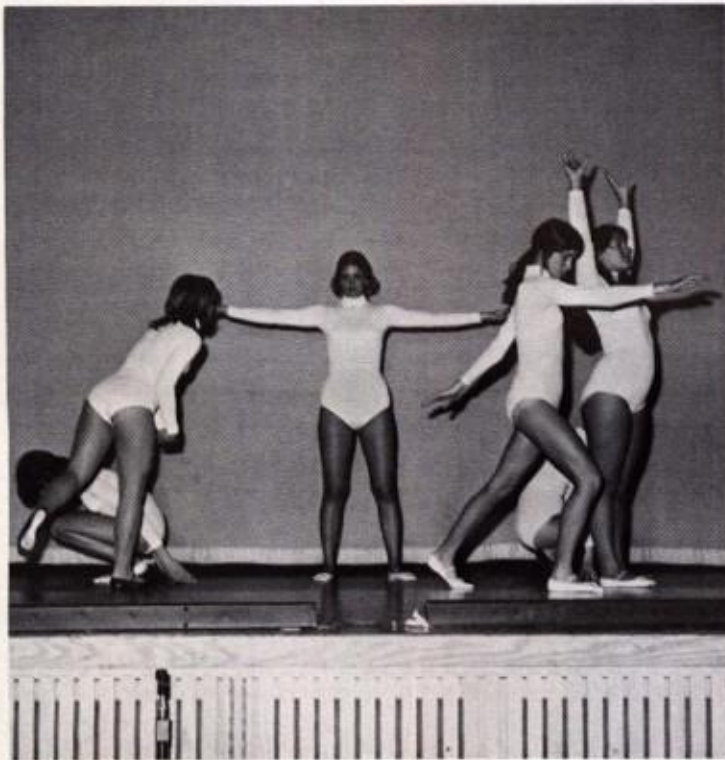

Christmas Concert

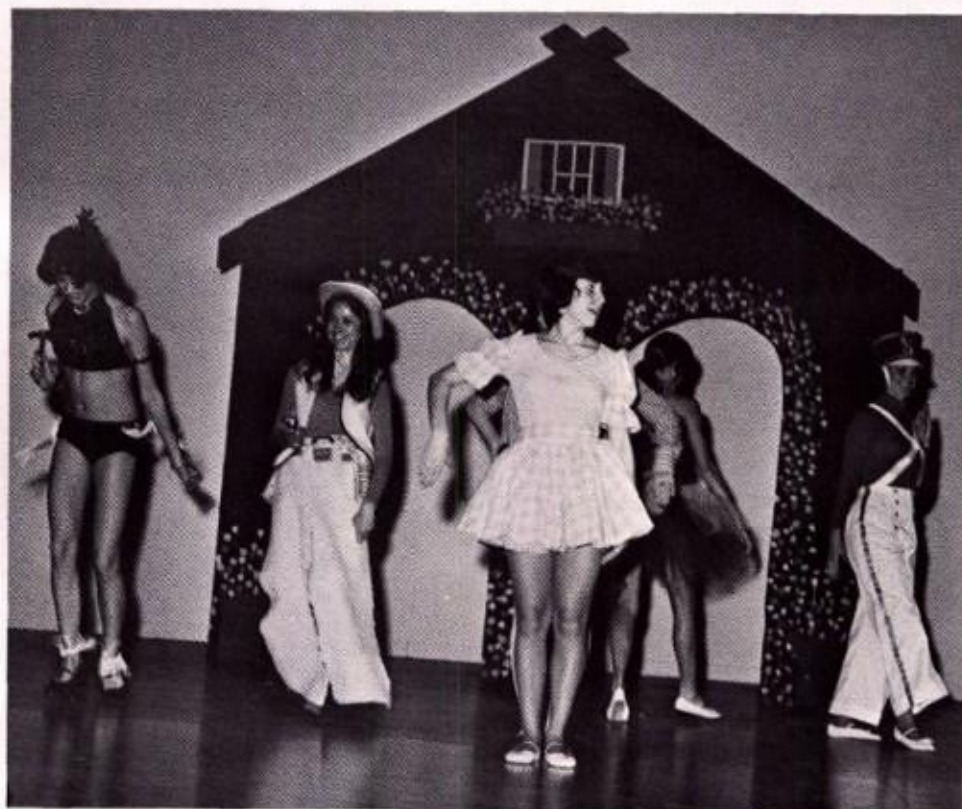

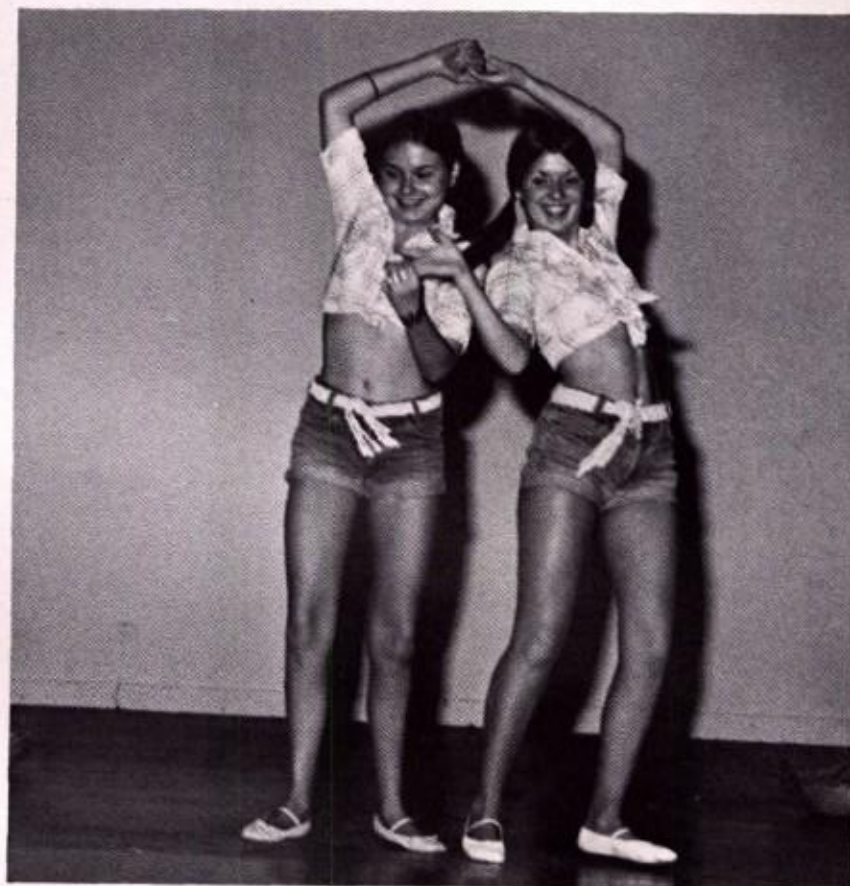

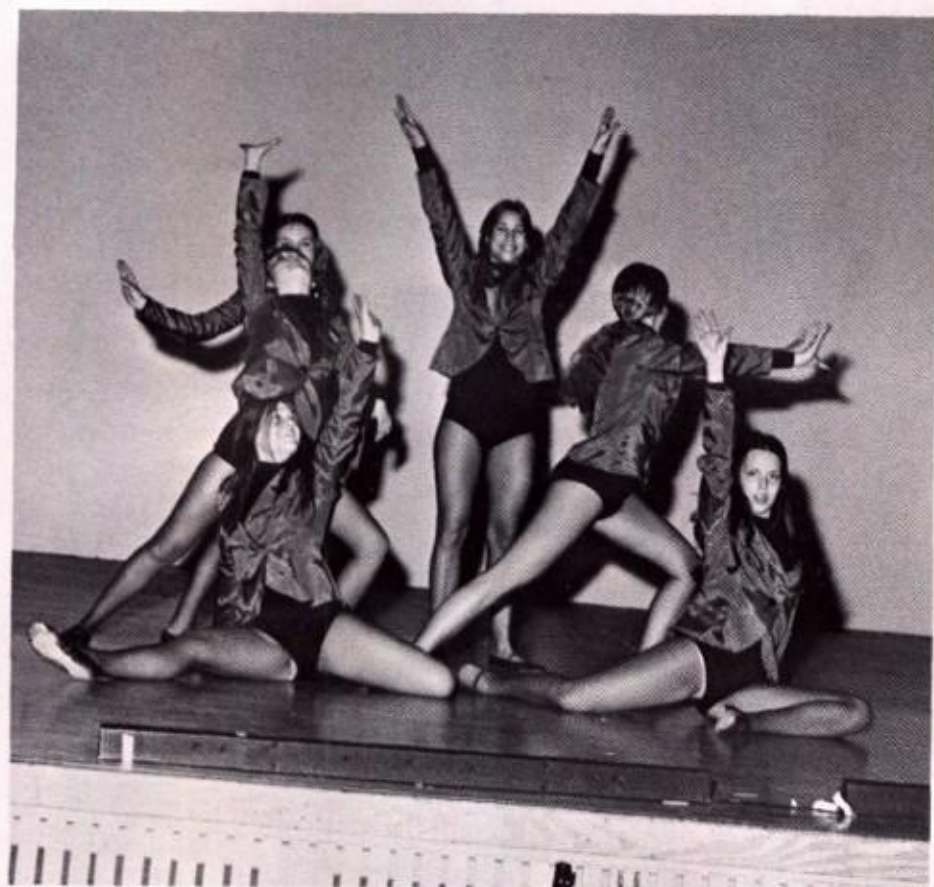

The Christmas Concert was held on December 11, 1975. The show included talented groups from the entire Music Department. The highlight of the concert was "The Many Moods of Christmas." The performance was well attended.

Orchesis

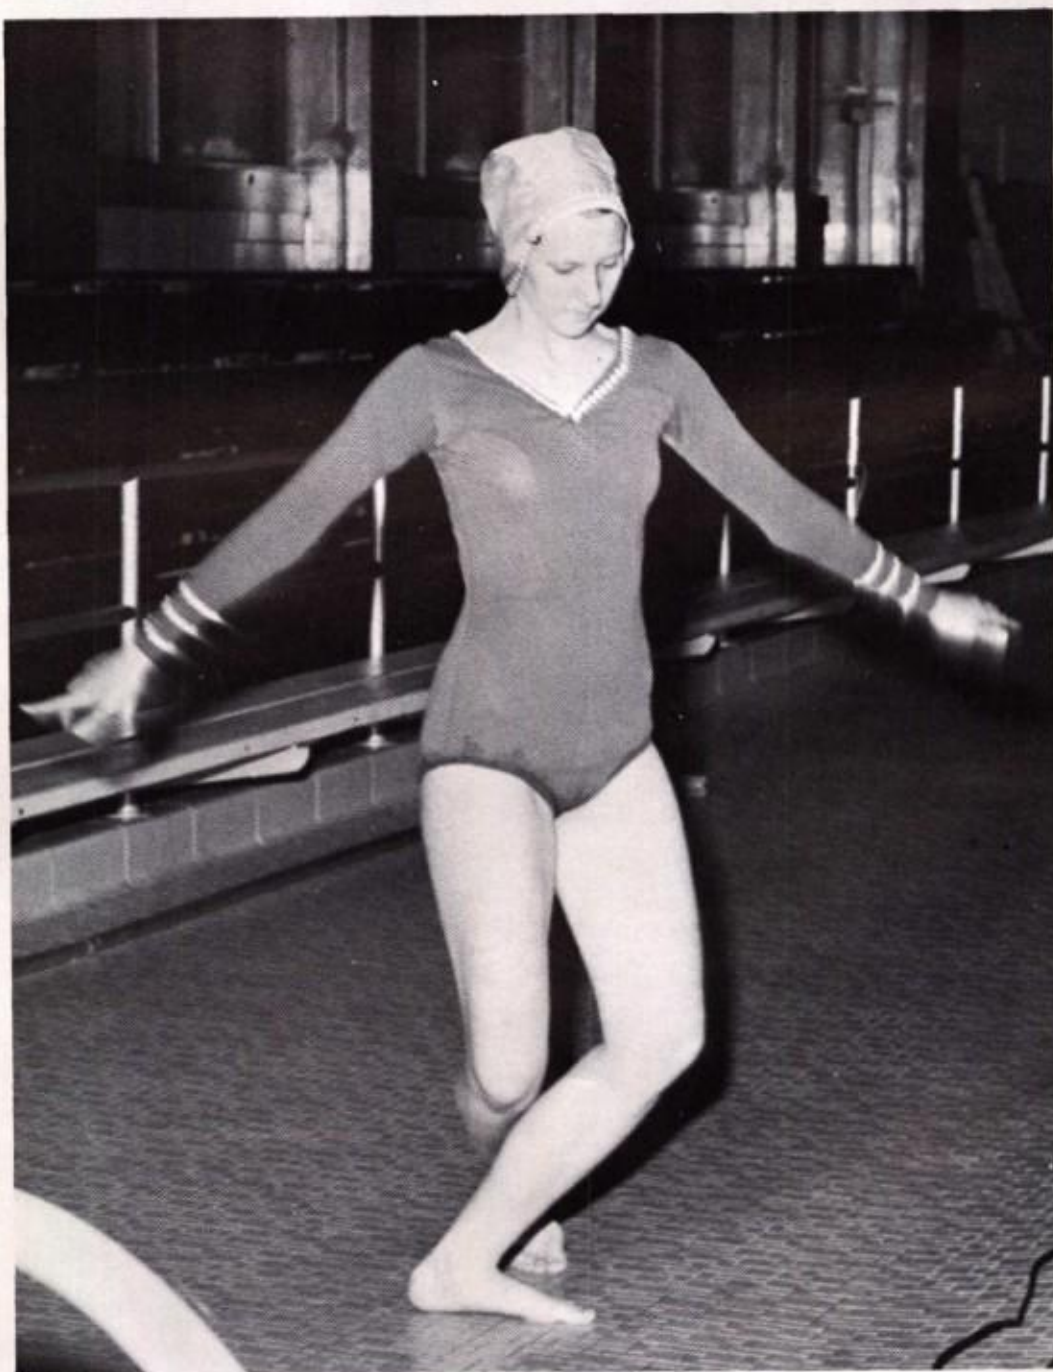

The annual spring show, "Expressions Unlimited," was presented by the Maine West Orchesis Club. The show was held on May 24, 25, and 26, 1975, in the auditorium. The show contained a variety of dances. All was put together with a lot of enthusiasm and was well attended.

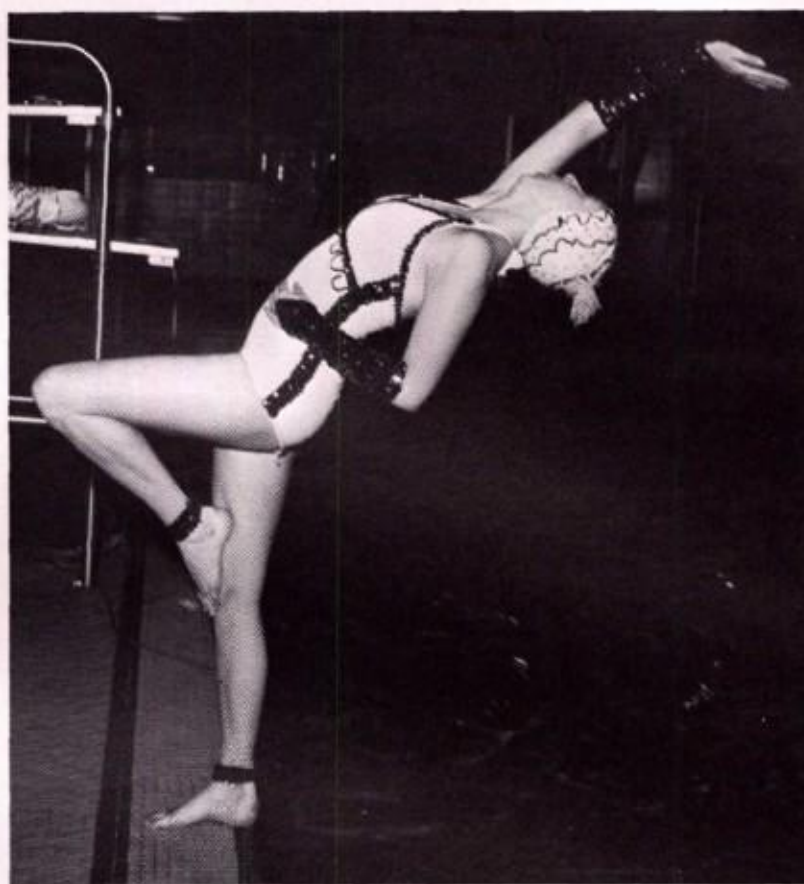

Aquiana Swim Show

The annual spring water show, "It's a Hit," was presented April 10, 11, and 12, 1975, by the Aquiana Swim Club. The show featured acts using music taken from plays and movies. The show intermingled talent and hard work to produce a greatly entertaining show for all who attended.

American Theater Voices

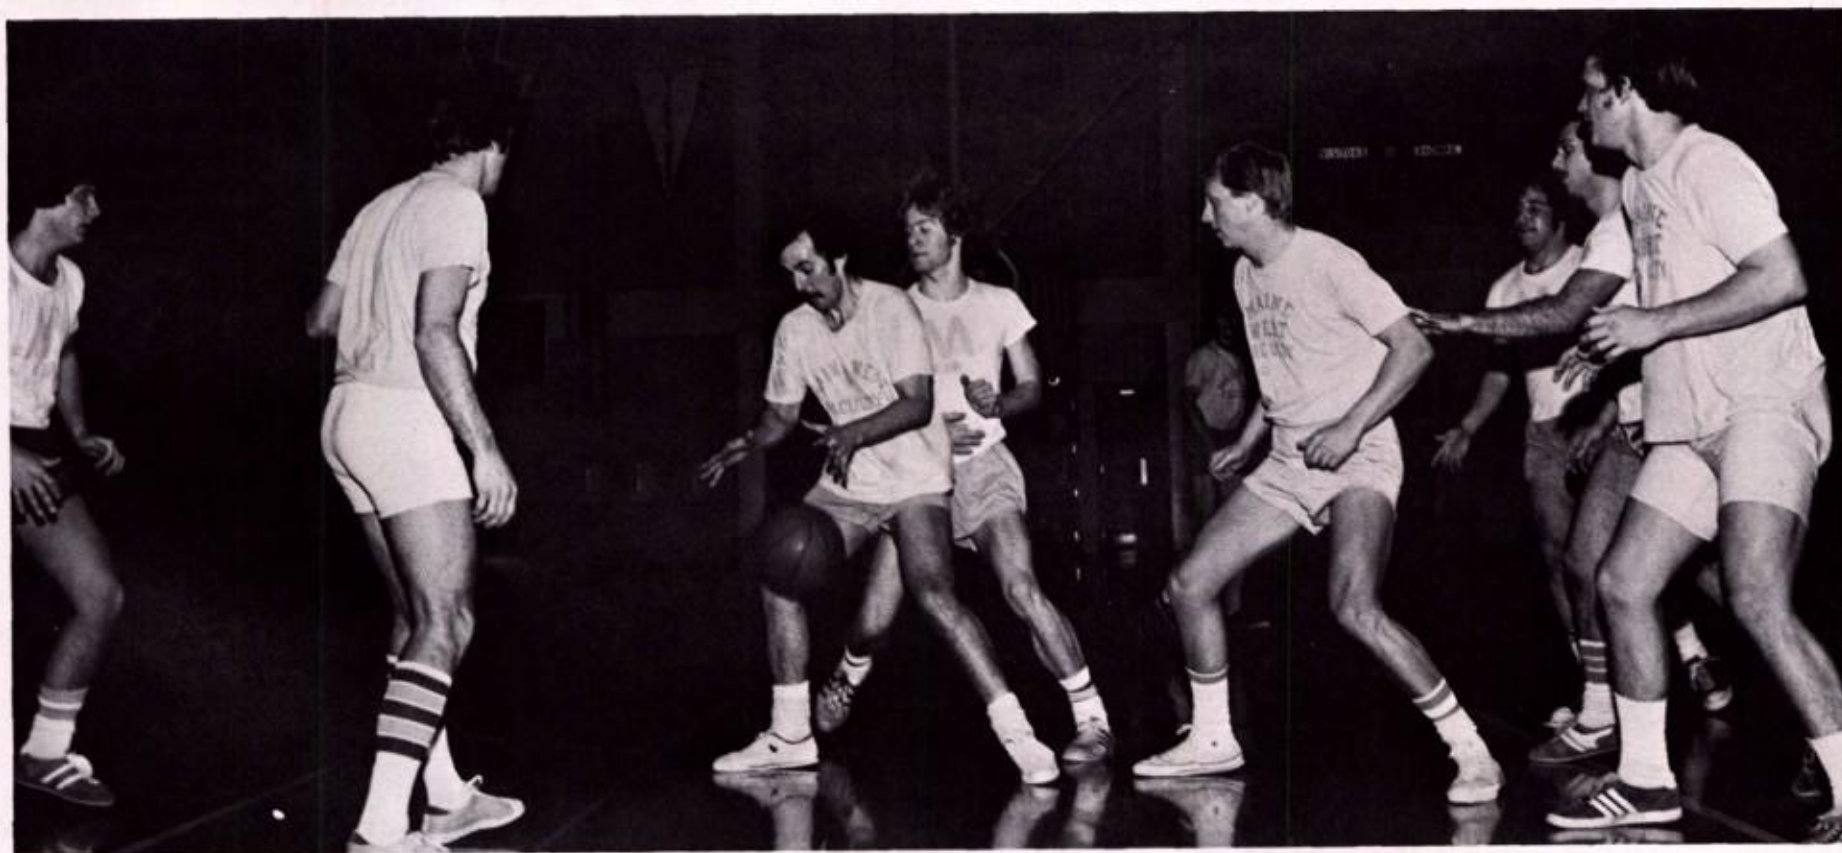

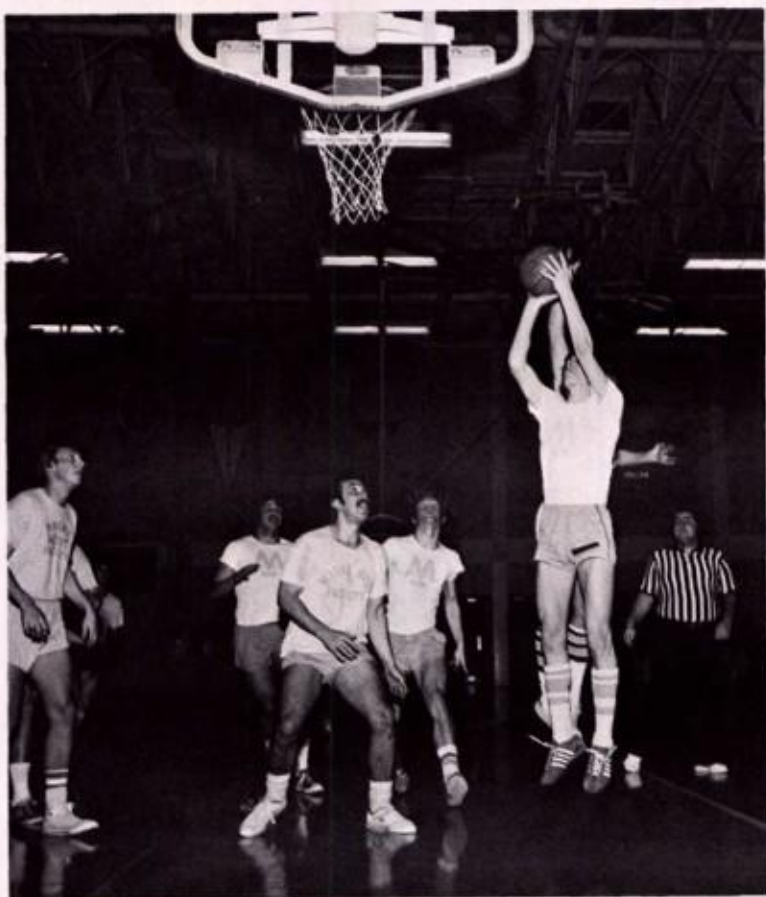

American Theater Voices was this year's winter production with cuttings from "U.S.A." by John Passos and "The Night Thoreau Spent in Jail" by Jerome Lawrence and Robert E. Lee. Both cuttings had different casts who worked hard to produce an enjoyable show on February 5, 6, and 7, 1976, at 8 p.m.

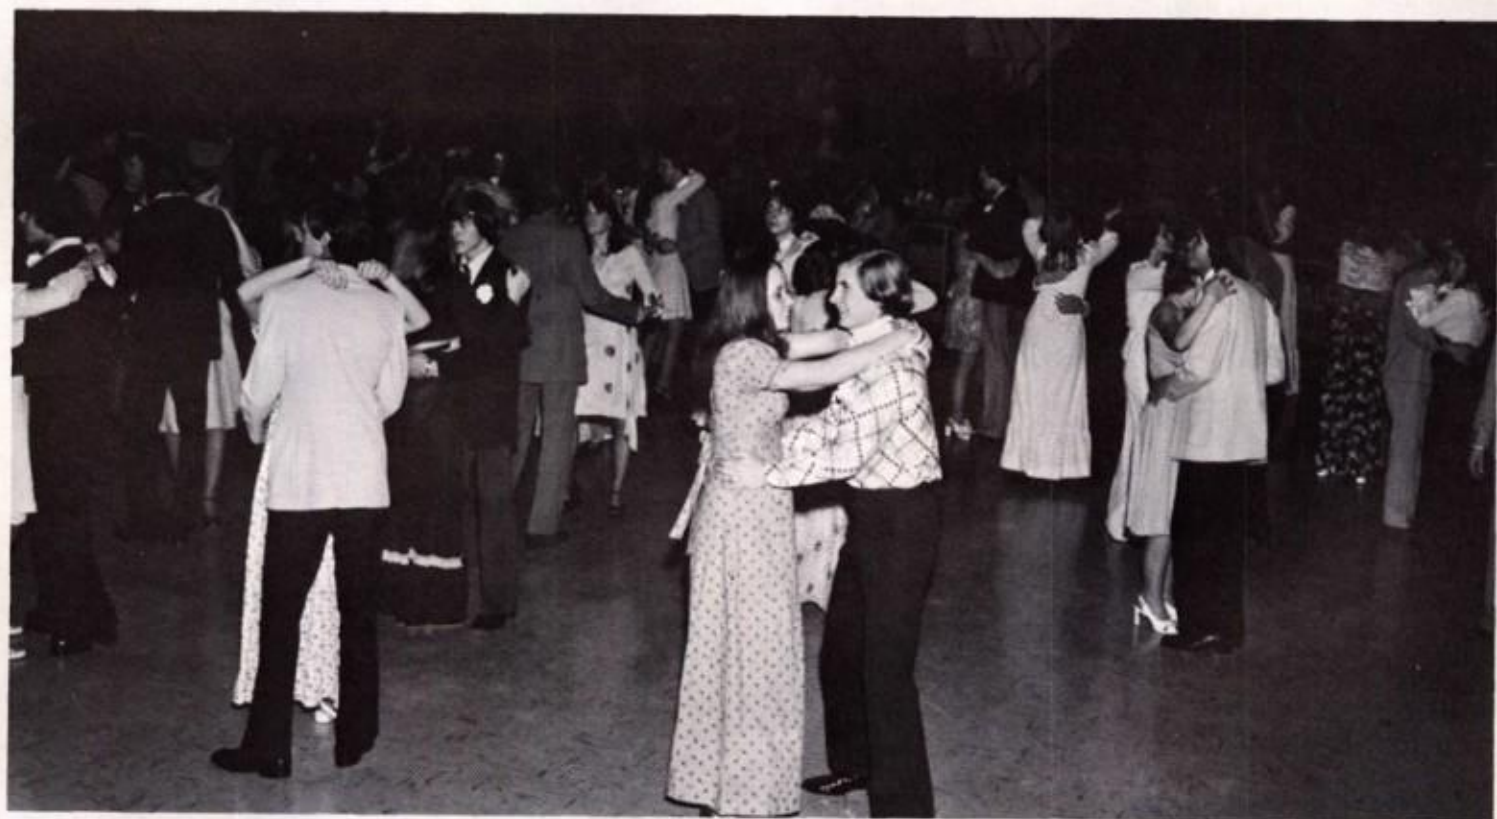

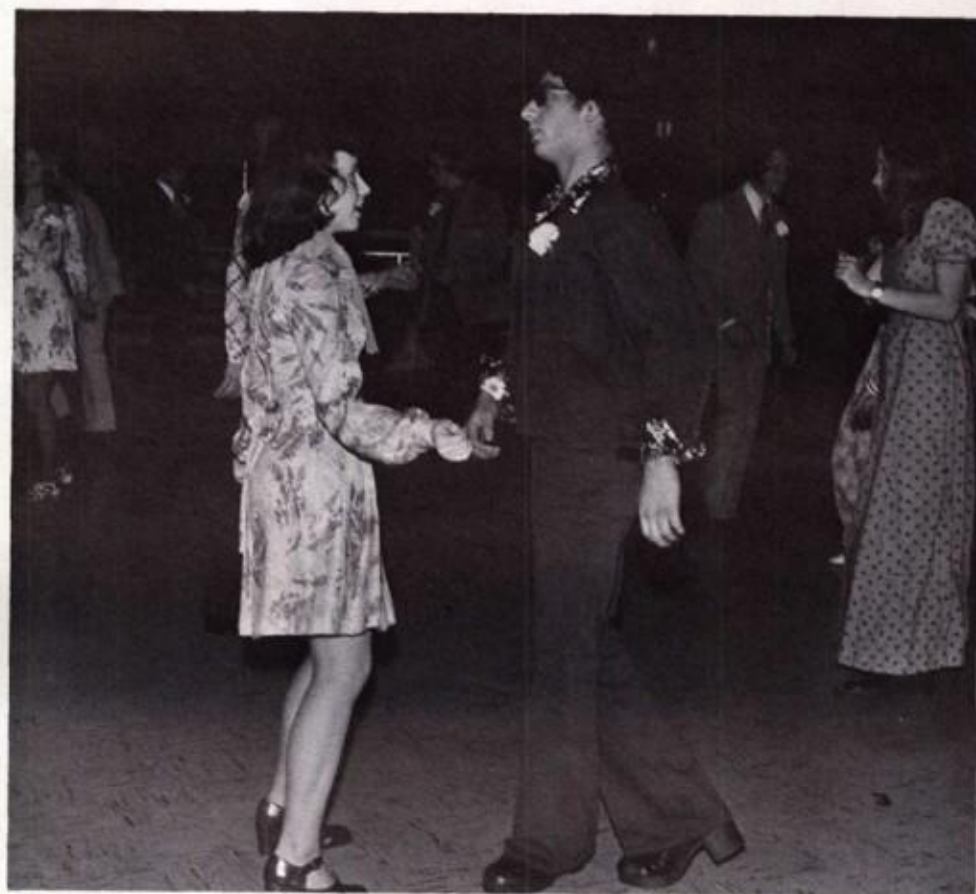

M-Club Vs. Faculty

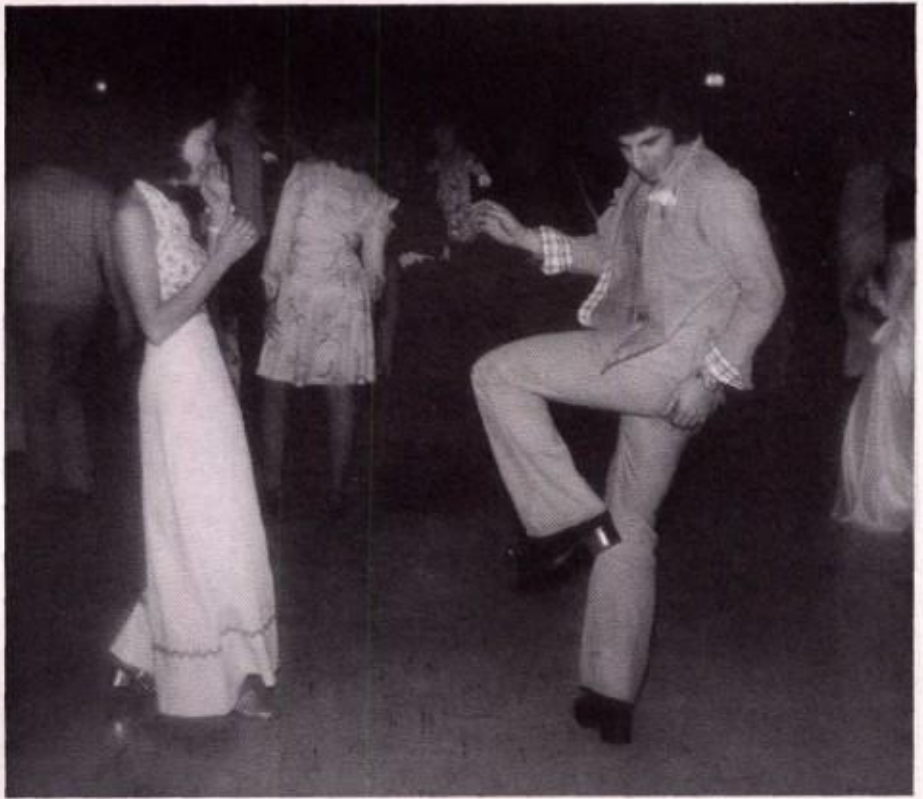

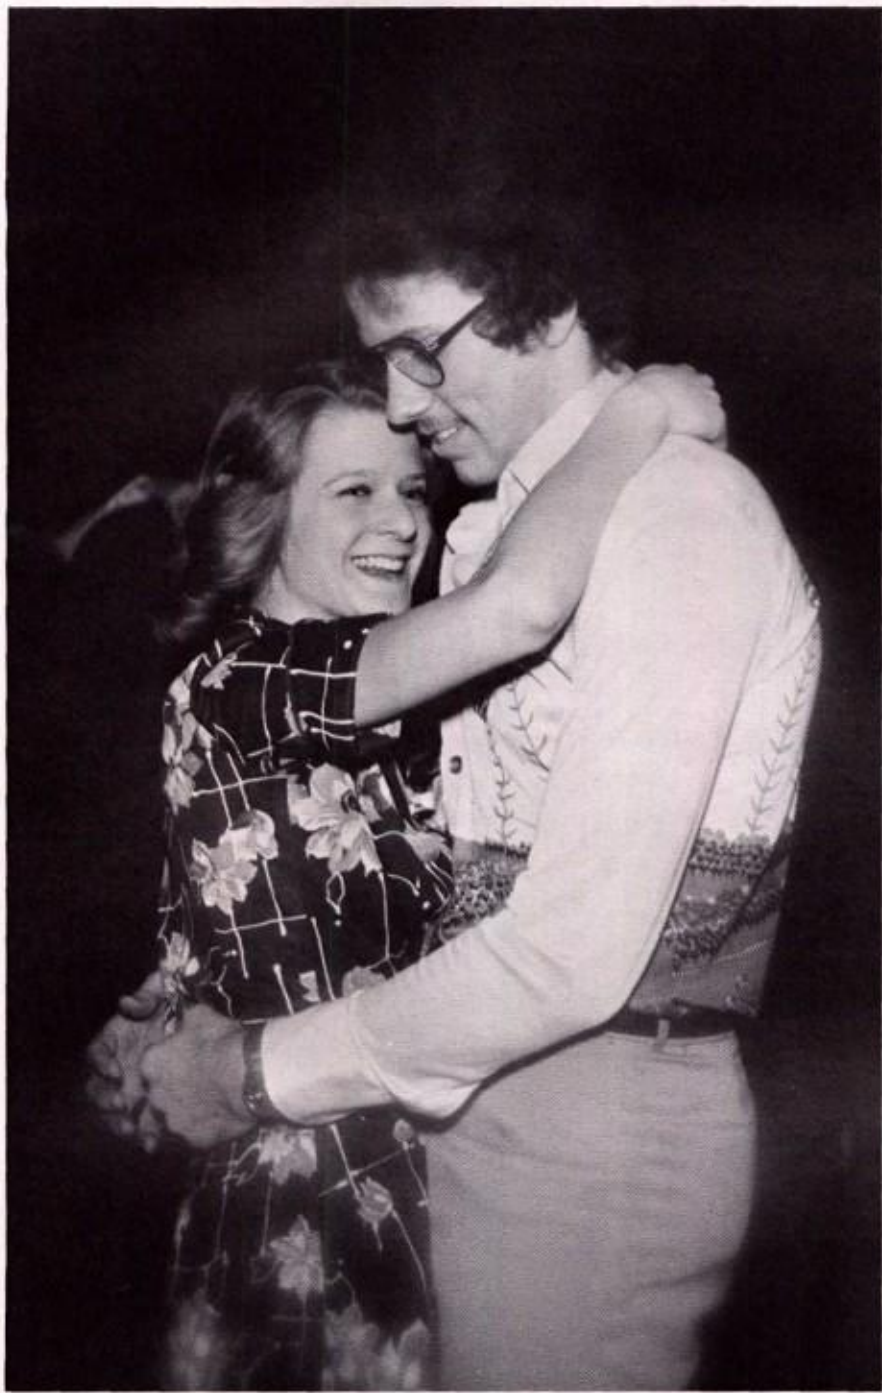

This year's M-Club vs. Faculty game had many breath-taking moments of surprises and challenges. On February 10, 1976, M-Club swept away the long standing faculty record by a score of 65 to 61. Top scorers for both teams were Bob Nelson and Mr. Robert Goerne.

Girl's Choice Dance

This year's Girl's Choice Dance was entitled "Sadie Hawkins." The name was chosen because every leap year it is permissible for a girl to ask a man to marry her. The dance was held on March 6, 1976. A group called the Pharoahs played at the dance.

Friendship. Nowhere else better than at Maine West did I find this precious tie. Maine West, with its school life, its enjoyable activities, and above all with its students and teachers made this year not only a nice year for me but an unforgettable experience in understanding American youth. Sometimes it was hard, sometimes it was funny, sometimes it was boring, but always it was friendly. I want to thank you all for your help in the bad times, for your cheers in the good ones, and above all for receiving me as I was and making me feel happy and accepted.

This year being almost over, I will soon return to France with my suitcases full of memories and Maine West written forever in my heart in bright blue, gold and white.

I never thought before I came here that the time would go this fast. Last August I had all year to live in America. Now almost nothing is left. I'm leaving to go to my country to live the rest of my life. But when I look at the past I see happiness and friendship which you have given me. You; my friends, my teachers, you always understood me. With your help I never felt I was a thousand miles away from my home. I graduated in Turkey, but here I had one more year in high school. I liked Maine West very much. It is a very modern and big school. Especially sport activities were my favorite classes.

Des Plaines was a great town for me. My city in Turkey is really big and noisy. I always lived in big buildings. During all my childhood I wished for a house with a backyard and here I had a house with a backyard. Green Des Plaines is one of my favorite places in the world.

Finally, I want to thank you all: — my family, my friends, my teachers. Every thing here taught me that human beings can learn to love each other in a very short time. I hope you'll be able to come to Turkey and visit me. Thanks again and remember please, you have somebody in Turkey who loves you very much.

I would like to thank the entire 1976 **Legend** staff for doing such an outstanding job. A lot of hard work was put into each individual page, and every person put great effort into their work. Special thanks to our adviser, Mr. Walker, and to our publishing representative, Mr. Hackelman.

This book not only reflects the activities and faces of the past, but it reflects the feelings we have all shared through the year. The words and pictures in this yearbook represent many treasured memories that I hope will never be forgotten.

"Did I utilize the days and the months to form lasting friendships with others? Or will the experiences be lost forever with the closing of a book never to be of benefit to me in a more serious later life?"

Jim,
Glad I
got to know
you this past
semester in AV during
7th period. Good luck in
your remaining years in
school and have fun down
in Florida.
